# Arena Anthems

---

No matter the sport, everyone looks forward to the halftime show. It's a time where fans come together to show love to their favorite team. It's a moment of unity and motivation across the stadium through energetic, uplifting music and entertainment. Halftime performers have to bring their A-game to the arena, connecting people of all ages and cultures to build the atmosphere and anticipation before the next quarter.

**Arena Anthems** is a fusion mix of that exact experience. Combining the eclectic vibe DJ Prosper brings to the stadium with a diverse range of sounds, **Arena Anthems** transcends energy through its rhythm and chants. Pairing his love of crowd motivation, music production and rap, **Arena Anthems** allows DJ Prosper to showcase his true love for music while bringing authentic artistry back to the scene.

The **Arena Anthems** EP is more than a compilation of songs. This EP takes the memories of togetherness, team spirit and motivation from the arena to the airwaves. The project will also support DJ Prosper's goal of strategically connecting artists and producers of various styles and genres across Canada for a bigger purpose: building unity within the Canadian music community.
